WHAT IS NUTANIX MINE *WITH VEEAM*?

Nutanix Mine *with Veeam* is a turn-key data protection solution for AHV, VMware and Hyper-V environments, enables granular data recovery for mission critical applications and provides a path to longer-term data retention solutions like Nutanix Buckets, Veeam Cloud Tiered, tape media and much more.

Faster time to value

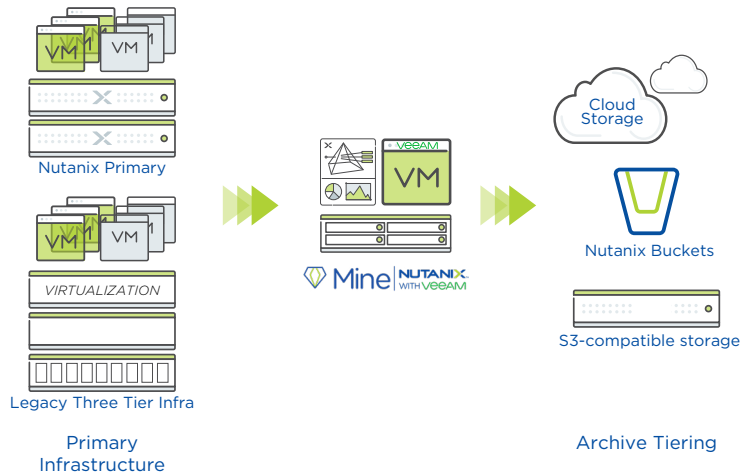

Unified IT Operations

Drop In, Scale Up and Scale Out

WHAT MAKES NUTANIX MINE *WITH VEEAM* UNIQUE?

Nutanix Mine *with Veeam* combines the best of both companies' innovation - Nutanix in enterprise cloud computing and Veeam in Cloud Data Management. The result is a full-stack solution enabling customers to quickly go from project planning to protection without the cost and overhead of standalone systems.

NUTANIX™ YOUR ENTERPRISE CLOUD

T. 855.NUTANIX (855.688.2649) | F. 408.916.4039

Nutanix makes infrastructure invisible, elevating IT to focus on the applications and services that power their business. The Nutanix enterprise cloud platform leverages web-scale engineering and consumer-grade design to natively converge compute, virtualization and storage into a resilient, software-defined solution with rich machine intelligence. The result is predictable performance, cloud-like infrastructure consumption, robust security, and seamless application mobility for a broad range of enterprise applications.
